

Regular prints, enlargements, photo collages (By appointment please) pricing is as follows:

You may think we're crazy, but I have to recommend that you source a big box store to do your regular sized prints. (4x6", 5x7" or 8x10") I cannot compete with any of their prices, and they cannot compete with my quality! In fact, the big box stores refer their clientele to us for specialty printing, such as enlargements, (bigger than 8x10") photo collages, custom editing such as: Text, background removal and photo merge.

With that said, we colour balance, crop, and remove red eye to ensure your photo will look its best before we print it. We will not print anything which will not look appealing.

Prices quoted below are for photos printed on true photographic paper:

- 5x7""s \$7.49 ea.
- 8x10""s \$14.99 ea.
- 11x17""s \$79.99 ea.
- 16x20""s \$119.99 ea.
- 20x30""s \$159.99 ea.

(Shipping and handling charges of \$10.00 will apply to all prints larger than 8x10" as they are outsourced to partner labs out of town)

Alternative print method pricing:

Full colour digital prints on poster paper or card stock, up to 8x12" is available.

- 5x7""s \$3.49 ea.
- 8x10""s \$9.99 ea.
- 8x12""s \$11.99 ea.

Photo Collages:

Whether we use our own images or your personal photographs we can create a personalized collage to meet your expectations. Standard charges for this service are as follows:

- Time \$90.00/hr. (15 minute minimum)
- Scans of your photos \$5.00 ea.
- Print cost is as above

I am available by appointment at your convenience to answer any questions and to show you my portfolio.
